Galatians 3:1-14

(Faith not Law is what counts with God)

1. Look at your own story 1-5
(your spiritual conversion)

2. Look at Abraham's story 6-9
(his faith and justification and yours too)

3. Look at the Law itself 10-14
(our failure is inevitable—the Law says so)

Galatians Groups Q: *To the others in the group, describe your experience and the circumstances that surrounded the beginning of your walk with Christ. How does that story affirm our passage's assertion that salvation comes not from following rules but only through faith in Christ?*
